FROM OUR PRINCIPAL

“Young people do better with purpose to their learning. As they grow older this purpose becomes more related to how they see themselves in careers and pathways beyond school.”

Eudunda Area School Year 10 & 11 students have just completed their course counselling for 2023. As a school we are committed to providing students with a range of curriculum offerings that meet their requirements. Our senior school classes are set up so that all students get individual attention, intervention and care to help them be successful. Our SACE completion was 100% last year and this was attributed to the excellent staff and their willingness to do extra work for, and with the children in their care. We are aiming to replicate this achievement this year and now consider this our benchmark.

As part of their schooling at Eudunda Area School, all students have the opportunity through partnerships with other local schools, industry and service providers to grow their skills and abilities and become highly capable 21st Century learners.

If parents have concerns about their child/s progress this term, as no student reports will be handed out, please feel free to contact myself or your child/s teachers to organise a time to catch up and discuss how their learning is progressing.

DAVID CLUSE
Principal

Primary Assembly Awards

Rm 12 – Harrison Jaeger and Jackson Kelly

Foundation/Year 1 – Lily Bradley, Keelen Richards and Charlie Coombes

Bookweek

Careers Expo

The Year 10 PLP students attended the Nuriootpa High School Careers Expo. It was great to see all students highly engaged, asking questions and gathering information. They can be proud of the way they represented themselves and our school community!

Millsters News

A fortnight ago the Year 8 class ventured to the Flinders Ranges to battle the great outdoors. We were under the impression that it was to be a bushwalking camp, however were surprised when it turned into an impromptu aquatics camp! There were mixed reviews from students varying from having either an excellent or miserable time due to some unforeseen misadventures. One such event involved the flooding of Kayla and Regan's tent which forced them to migrate to Kim and Milly's tent, where they hid until they dried out.

On the first day we walked 9 km, all the way up to a lookout for general site seeing and to take photos, however several blisters were starting to form!! On the second day we walked 17km, which was roughly 6-8 hours of walking, the trail sometimes becoming extremely narrow or over rocks. On this particular day, the rain clouds began to form which made some students walk faster than others. Unfortunately, this didn't inspire Dakota and myself to speed up and poor Mr Pfitzner who had to supervise us got caught in a huge thunderstorm causing us to trudge through the rain and mud.

Some of the highlights from some of our campers included hiking over new terrain. Liam, Brandon and Beau would recommend climbing over the rocks on the Gorge Trail, as all three enjoyed it. Alex liked cooking on the Trangia, which is a multi-part piece of cooking equipment, extremely useful for camping. James when asked, suggested that you wear ankle support while hiking (clearly he had sore ankles after the camp). Brett thought the views were amazing, however starting the fires was a bit difficult as the rain made everything so wet. At one point, Alex and Brett had to run back from the hike to move the wood to keep it dry so they would be able to light the fire after our day of walking.

A big thank you to Mr Pfitzner, Miss Doherty and Miss Newman for putting up with our constant whinging of being cold and wet. We appreciate the effort you made to make a camp fun! After I interviewed nearly all the Year 8s, the consensus was that they were glad to be home, with dry clothing and warm beds.

Thank you for reading my newsletter and I will see you guys next fortnight!

Riddle me this - I need no sound for a perfect pitch. My canopy is closer to you than forest trees. I have no stories, but I use a plot. I can be put in a bag but I'm not a sandwich. What am I?

Bushwalking Camp Photos

School Computers

For parents and students looking for a computer or other device, EAS has partnered with EDUNET. EDUNET provides families with a range of computers which would be suitable for use at EAS if children choose to bring their own device.

The pamphlet can be found on our website.

If you have any further questions feel free to ring David at school.

Buses

Please advise the Front Office if your child/ren wont be travelling home on the bus or are swapping buses. Communication in the form of a note or phone call is necessary from parents/caregivers. We try to accommodate everyone's needs with the buses, however at times buses may be full to capacity and requests maybe denied.

Congratulations to Ella Anning and Callum Henderson who after 2 years (due to Covid) both received their Gold Duke of Edinburgh Award.

We don't want you to miss out!

INFORMATION FOR CUSTOMERS

Australian Government Mobile Service Centres

If you live in a rural area, you may need to travel greater distances to access government payments and services. To make it easier for you to access these services, we're bringing them to you and your community.

Mobile Service Centres travel extensively throughout rural and regional Australia and also to disaster affected areas to provide help and support.

Staff from Services Australia travel with the Mobile Service Centres and can help you with Centrelink and Medicare payments and services. Our Mobile Service Centres also have disabled access.

Information about Department of Veterans' Affairs programs and support services for veterans and their families will also be available.

Wi-Fi is available for visitors to the Mobile Service Centre and staff will be able to help you create a myGov account. myGov is a simple and secure way to access government services online.

Our staff will provide you with friendly face-to-face service, information and support. From time to time, representatives from other government agencies also travel with the Mobile Service Centres.

Information and help you can access on board the Mobile Service Centres

We provide information, help and support to rural and regional communities, including:

- families
- older Australians
- students
- job seekers
- people with disability
- carers
- farmers
- self-employed people.

We can assist you with:

- registering and using the agency's online services
- new claims for Centrelink payments
- updating and confirming Centrelink and Medicare information
- information on how financial matters may impact on payments
- assistance with payments and service options
- rural payment entitlements for eligible farmers
- non-cash Medicare transactions
- enrolling for and issuing new Medicare cards
- issuing and re-issuing Medicare cards
- social work support and referrals

More information

To view the listed services for the Australian Government Mobile Service Centres, visit servicesaustralia.gov.au/mobileoffice

The stopping locations for Mobile Service Centres are promoted in each town and on social media before each visit.
