PRINCIPAL'S REPORT

Welcome to our first newsletter for Eudunda Area School in 2023.

Over the last few weeks we have had the pleasure of welcoming 18 new students into our Primary School and 5 new students into our High School. I hope their transition into our school has been an enjoyable one. It has also been fantastic to re-establish connections with our pre-existing EAS students and I wish our students a successful and enjoyable year as they delve into the next chapter of their schooling.

We have also welcomed two new staff members this year, Kim Scott who will be our Pathways Leader and Senior School Maths Teacher and Tahlia Wendt a classroom support SSO. We are really excited to have you both join our wonderful EAS team.

Throughout the holiday period works have occurred in Room 5 which has received a makeover with a new paint job, carpet, cabinetry and furniture. This room will be used primarily as an ICT teaching space. Work has also begun, but not quite finished in the Home Ec Centre, where a Commercial Kitchen will be built in one section of the building. In coming weeks the Tech Centre is also having new benches installed in preparation for a new bank of laptops that have been purchased for the purpose of teaching CAD (Computer Aided Design) programming which will be taught in Design & Technology classes.

Congratulations to our graduating class of 2022 who all successfully completed their SACE, both Thomas Nolan and Reece Hawkins received an offer at University in the Business Industry and Cory Curran will continue with his Mechanical Apprenticeship at Sskids Mechanical, you all make us very proud. Also congratulations to Claire Schiller who received a Merit for Research Project and will attend Government House this Thursday to receive her certificate from the SACE Board and the Governor.

I would also like to acknowledge Jackson Chenoweth who won the Eudunda 'Young Citizen Award' at the Australia Day celebrations. What a fantastic contribution this young man makes to our town.

Our AGM for Governing Council will be held on Wednesday 22nd February commencing at 7pm in the staffroom. Governing Council is a place where parent voice is heard and where you can contribute to some of the ideas and plans of the school. If this is something that may interest you, I would like to invite you to think about attending the AGM and perhaps joining the group.

On a personal note, I am excited to have the opportunity to lead and contribute to the Eudunda Area School community and look forward to collaborating with each of you to support our students.

As a staff, we remain firmly committed to a strong year of education for our students, with a high number of enriching learning programmes and experiences. I look forward to working in partnership with you to make our school a centre of excellence for learning, where every young person achieves their best, thrives and succeeds.

Guitar and Drum lessons

Private guitar or drum lessons will again be offered to the **FIRST** 8 students who register their interest with Mrs Roebuck. The guitar and drum teacher, Gary Briggs has years of experience teaching both instruments.

Lessons will be 30 minutes long at a cost of \$25 per lesson.

Lessons will be occurring every Tuesday starting in week 5 in a classroom at EAS. There will be a rotating timetable for the 8 students to ensure they are not missing the same lesson each week.

My child _____ is interested in learning;

Guitar

Drums

I understand that the lessons are \$25 per lesson
