JUNE

2/6	Year 9 Stem Excursion
12/6	Public Holiday
13/6	Pupil Free Day
18/6	Pedal Prix
21/6	Governing Council

PRINCIPAL'S REPORT

A very big welcome back to term 2! Planning for an engaging and productive term is in full swing across the school sector.

Information Technology Update

We had busy holiday implementing and upgrading our ICT facilities to accommodate for the many changes we have in place to progress forward with our ICT development. 14 Apple IMac computers have been purchased and installed in the Art Room for the purpose of developing our students digital creative skills, Miss Doherty is planning some exciting new curriculum to incorporate these new facilities into her assessments tasks, and we look forward to seeing what students will create. We have also purchased 23 IPads for the Primary, Art and Middle School English which are now being utilised in student learning. At the beginning of this term we purchased 4 high end Computer-aided Design (CAD) computers for our Design & Technology faculty, these computers will be utilised by our senior school students where they will learn the manufacturing process which will allow them to digitally create 2D drawings or 3D models for feature products. This is a really exciting addition to our Design & Technology faculty, as nearly every industry uses CAD in some way to grow and develop their business.

Grounds Update

The facelift of the front of the school continues and is starting to take shape. The new garden entrance to the Gym entrance is now complete and looking amazing! The pine trees have been removed in preparation for the drop off and pick up zone for students, this will also be landscaped in the coming weeks. Our new school sign is also under construction which will also be a wow factor when finished. The playground slippery dip is being removed as result of failing a safety audit, and will be replaced with new play equipment/ area for our Foundation to Year 3 students later this term.

School Uniform

With the change in the weather we have noticed that we are finding lots of jumpers lying around the school grounds. Can we please ask that you label your child's jumper/ jacket so that if misplaced they are easily recovered and given straight back to their rightful owner. Hats are not required in Term 2, however students can, if they wish, continue to wear these when out in the yard. School beanies are allowed to be worn, before school and during recess and lunch. Students will be asked to take them off when in classes, as each class is heated accordingly. In Week 3 of this term our Governing Council will be reviewing our Uniform Policy, I will forward the updated policy in the next 4 newsletter.

Open Day

On Sunday, 21st May, we will be holding our Annual Open Day from 11-1pm to showcase our fantastic facilities, as well as an opportunity for current and new potential families to meet staff and students. As part of this day we are running interactive sessions in various classes to demonstrate different opportunities within subject areas. It would be wonderful to see as many of our families at this event. A sausage sizzle will be available for a gold coin donation and EASpresso will also be available. I hope to see you there.

Wellbeing Survey

Our Year 4 to 12 students will be taking part in the Well-being & Engagement Collection survey between Week 2 to Week 5 of this term. The well-being of young people is an important part of how they learn at school. The survey seeks students' views about their wellbeing and their engagement with school. Students in Years 4 to 12 across the state have been invited to participate and the information collected will help the education system and broader community to support young people's health and wellbeing. Teachers will arrange for students to do the survey during class time. They will be asked if they would like to participate and are free to withdraw at any time. If you do not want your child to participate, please contact the school as soon as possible (a letter was sent out in Week 1 of this term). Students' personal information and identity will remain anonymous. Survey responses are confidential and no one (including school staff) can use the results to identify individual students.

Congratulation and Farewell Riley Henke

Congratulations to Riley Henke who was successful in winning a fulltime Butcher Apprenticeship at Cooper's Butchers in Burra. We will certainly miss his friendly personality around the school but wish him all the best on his future endeavours.

Keep warm and pause and take a moment to find the beauty in each day.

Anna Roebuck
Principal

PREMIERS BE ACTIVE CHALLENGE VISIT

We had the pleasure of having Olympian Kiana Elliot to our school to chat with the students about her sport and journey to the top. This was a part of the Premiers Be Active Challenge.

STAGE ONE OUTDOOR ED CAMP

Week 8 of Term 1, the Stage 1 Outdoor Education class went to the Renmark/Paringa area for their kayak journey camp. We left base at Canoe the Riverland on Monday morning, with our kayaks packed to paddle through the Ral Ral creek system, camping somewhere new each night. The students developed their kayaking ability along with navigation and leadership skills.

This week the Stage 1 students again got the opportunity to develop their leadership and collaboration abilities with a surf trip to Corny Point for 3 days. Students braved the weather and were taught the basics of surfing, including how to turn and catch gnarly waves. It wouldn't be a camp close to water where Jack Schiller isn't catching a fish! It was a great camp enjoyed by everyone!

SANTOS

In week 11 of Term 1, students attended the F Grade School Sport SA Track & Field Championships. Our students competed with high spirits all day and were able to achieve some excellent individual results, with multiple students winning their events. Our team finished in Third place and maintained our position in Division 1 for next year.

Claire Schiller and William White

Temika Tschirn and Bree Leslie

Thank you to our School Captains for attending the Anzac Day Services that were held at Eudunda and Robertstown.

ROOM 12 ADELAIDE ZOO VISIT

Room 12 were invited to the Variety Picnic at the Zoo. We had a fabulous day and saw lots of cool things.

ADELAIDE ZOO

Jye Schutz was the winner of Primary SLC Fundraiser last term. Jye was two off the correct guess of 127 chocolates. Congratulations Jye!

The School donated a total of $616 to Wings without Barriers. This money was raised from casual day and the chicken burger lunch on the last day or term 1. Fantastic effort to all involved and to staff and students who supported this.

Book club orders are due back to the Front Office by 18th May, Thursday.

RECYCLE, EARN & PLAY

COLLECTIONS CLOSING SOON!

Our school is taking part in the Wonder Recycling Rewards campaign this term.

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school earns!

Tip for collecting:
Use one empty bread bag to collect a bunch of other bags.

COLLECTIONS CLOSE

7TH JULY

BRING IN YOUR BAGS BEFORE THEN!

Includes early learning centres and pre-schools.

Tag @wonder.australia #wonderrecyclingrewards to share all your recycling champion stories!

Wonder Full of Goodness

EUDUNDA AREA SCHOOL OPEN DAY

SUNDAY 21ST MAY
11AM - 1PM

Principals Address

11am in the Gym. Hear about the hidden opportunities that EAS has to offer from Foundation to Year 12.

Tour The School

Follow the map to see the facilities, classrooms and school or have a guided tour from one of our student leaders.

MEDIA RELEASE

SA Ambulance Service

Will you answer the call? Join the Burra or Eudunda Volunteer Ambulance Teams today.

SA Ambulance Service is midway through its recruitment campaign *Answer the Call* and is looking for more volunteers in your region.

More than 1200 volunteers provide ambulance services in 89 locations across the state, including at Burra and Eudunda.

The Burra and Eudunda volunteer teams responds to the community for chest pain, breathing problems or pre-existing medical conditions, and on occasion, trauma cases.

Burra Regional Team Leader Robert Lancaster said volunteers trained together regularly so they were always ready to answer the call.

"Our volunteers nominate when they are on shift at a time when it suits them," Robert said.

"We've got a great group at Burra, and we're looking forward to meeting any new recruits who want to give it a go," he said.

Volunteers gain experience and nationally-recognised qualifications in pre-hospital care, meet new people and support their communities.

New recruits do a combination of online and face-to-face training, and are always paired with a qualified officer while on a call.

Eudunda Regional Team Leader Michael Pushby said SAAS provided training, uniform and reimburses out of pocket costs such as travel and childcare."

"It's also a great opportunity to get a taste of working in health to see if it's something you'd like to pursue as a career," Michael said.

"Some of our people have gone onto careers in health, in a variety of positions," he said.

A fully qualified volunteer Ambulance Officer is awarded a Certificate IV in Healthcare once their training is complete.

Volunteers and their families also receive free Ambulance Cover whilst volunteering for their communities with SAAS.

If you are interested in becoming a volunteer, please feel free to give the Volunteer Support Unit a call on 1300 175 584 or head to saasvolunteer.sa.gov.au.

Get to know your ambulance service, visit SA Ambulance Service on Facebook, Instagram, LinkedIn and Twitter.
