

### DATES TO REMEMBER

#### JUNE

- 9/6 Pj Day
- 12/6 Public Holiday
- 13/6 Pupil Free Day
- 18/6 Pedal Prix
- 21/6 Governing Council  
Year 9 -10 Netball
- 23/6 F-Year 2 Excursion
- 30/6 Primary Assembly

#### JULY

- 7/7 Last day of Term 2
- 24/7 First Day of Term 3
- 26/7 Year 10 second  
immunisation
- 31/7 Ag Education Day @  
Jamestown

#### AUGUST

- 5/8 Pedal Prix
- 7/8 PLP Work Experience
- 8/8 Dr Quarks Scientific Circus  
F-Year 6 9:30 in Gym
- 16/8 Governing Council
- 21/8 SACE Info night  
- Year 10 6pm  
- Year 11 7pm

## PRINCIPAL'S REPORT

In the last two weeks we have entailed many moments of celebrations, learnings and experiences all of which enrich our students lives for the better.

### Reconciliation Week

As a school we acknowledged Reconciliation Week by wearing yellow on Wednesday, May 31st. Students spent some time in class learning about the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. It was an opportunity for our school to promote the reconciliation between Indigenous and non-Indigenous Australians, to build understanding and respect, and to work towards a more just and equitable society. It was an opportunity for our staff and students to reflect on the past, acknowledge the impact of colonisation and the ongoing effects of systemic racism, and to commit to working towards a better future for all Australians.

# PRINCIPAL'S REPORT CONTINUED

## Extracurricular Activities

At Eudunda Area School our students have an expanse of different learning opportunities outside of the classroom. Evidence has shown that students who participate in extracurricular activities tend to have better grades and higher academic achievement than those who do not. This is because extracurricular activities help students develop time management skills, discipline and a sense of responsibility, which can translate into better academic performance. Extracurricular activities provide students with opportunities to interact with their peers and develop social skills such as communication, teamwork and leadership. These skills are essential for success in both personal and professional life. These opportunities also provide students with opportunities to try new things and explore their interests. This can help them discover new passions and develop a sense of purpose and direction in life.

In the last two weeks the following extra curricular opportunities have been presented to our students; Boys & Girls Knockout Football, Cows Create Careers, Milk Shake Day, Knockout Basketball, Operation Flinders, Year 9 STEM excursion to the Tonsley Innovation District and Walk Safely to School.

What makes me particularly proud are the two phone calls I received from the presenters from Tonsley and RAP about how respectful and engaging our students were on these excursions, well-done to these students who exemplify our school value of respect!

## Attendance

As semester one is quickly coming to an end it is imperative that students attend school regularly to ensure they are reaching the potential they are capable of. Poor attendance can have a significant impact on school students in several ways:

- 1. Academic performance:** Regular attendance is essential for academic success. Students who miss school frequently are likely to fall behind in their studies, miss important lessons and struggle to keep up with their peers. This can lead to poor grades, lower academic achievement and reduced opportunities for future education and career prospects.
- 2. Social and emotional development:** Regular attendance is also important for social and emotional development. Students who miss school frequently may feel isolated from their peers, miss out on important social interactions and struggle to develop healthy relationships. This can lead to feelings of loneliness, anxiety and depression.
- 3. Discipline and responsibility:** Regular attendance helps students develop discipline and responsibility. When students miss school frequently, they may develop a habit of procrastination and lack of motivation, which can have a negative impact on their academic and personal lives.
- 4. Legal consequences:** In some cases, poor attendance can lead to legal consequences for both the student and their parents.

## Grounds Update

We have recently had the gym entrance floor resurfaced which has certainly spruced the entrance to our gym. A new pathway will be paved leading from buses through to the Front Office in the next two weeks which will allow our students to have dry feet as they walk between buses and the school grounds. Room 1 will be painted in preparation for some classroom movements to occur at the end of the term. This will allow us to restructure Room 11 into the new Primary STEM room. Works for the new drive through and pick up zone will start to take place at the start of Week 9 which will convert our current mud pile into a safe zone for students with a lovely landscape to accompany it.

A special congratulations to Jenna Doherty and her partner Rob on their pregnancy announcement, Miss Doherty will be with us until the end of Term 4, we are all so happy for you both.

Have a safe and warm long weekend.

Febie Gibson, Mary-Jayne Scholz, Dakota Bayly and Kendra-Don Drage recently attended the annual Operation Flinders camp. The group of four teamed up with students from Burra Community School and set out on their trek around Yankaninna Station. Over the course of eight days, the students walked over 100km! There were too many highlights to mention but here are some that stood out:

- Eating Kangaroo Stew (Febie)
- Abseiling (Dakota & Mary-Jayne)
- Eating Nev's 'Donkey Poo' sausages (Mary-Jayne)
- Meeting new friends from Burra (all students)

All students enjoyed their time and were impressed with how their team was able to connect and improve over the duration of the camp. PGM Kaitlyn was an amazing help with nerves during abseiling and was able to form a strong connection with the students.

At the end of the camp, Dakota was awarded the team mascot 'BB3' for her social skills and being the 'glue of the team'.

A special thank you goes to Chris Woitdt for being our support staff member!

On Thursday, of Week 5, the Metropolitan Fire Service organized a Road Awareness Program at Kapunda High School, which proved to be an eye-opening experience for our Year 11 class. The program highlighted the importance of smart decisions and safe behaviours on the roads. Topics included the dangers of excessive speeds, distractions and driving under the influence. We saw real-life examples and heard a guest speaker's personal story, highlighting the risks and consequences of reckless behavior on the road. This eye-opening experience emphasised the need to be responsible drivers, passengers and pedestrians. It made us realize that nobody is invincible on the road and taught us to never take life for granted. We are grateful for the insights gained and will prioritise caution and responsibility as road users. Overall, the program has contributed to creating a safer road environment for everyone involved.

Jack Schiller & Henry O'Brien

## OPEN BOYS FOOTBALL

Henry O'Brien, Jye Schutz, Jack Schiller and Mitchell Roebuck donned the Bears guernsey in the Open Boys Football Competition on Tuesday, May 30th. Combining with Riverton and Burra, the team competed in tough conditions against Balaklava and Kapunda. Again we didn't get the win, however the boys from EAS conducted themselves in a fantastic manner and played some great football throughout the day.

Please note there has been an increase in prices for the Roadhouse.

## Mondays & Fridays Only

### Toasties/Croissant 50 cents extra

Cheese	\$5.90
Cheese & Tomato	\$6.50
Ham & Cheese	\$6.90
Ham Cheese Tomato	\$7.90

## HOT SOUP

Starting next Monday, there will be hot soup for sale at EASpresso during secondary lunch (1:00pm) Cups of soup will be sold for \$3 This will continue on the first day of each week until mid-term 3

Eudunda Area School are getting involved and supporting this fundraiser and awareness program. You can elect where the funds go such as Life Line, Push For Better Foundation and the Movember Foundation. Ultimate goal is to raise awareness for mental health and support suicide prevention programs and foundations. You don't need to do 100% of the push ups every day and you are given break days for rest and recovery. Please help by joining in on the challenge and even helping raise some funds.

The term 2 session of the local kids club "Kids For Christ" (KFC) will be held on Friday 9th June at the St John's school hall, Eudunda. The timeframe is 3.10 pm onward (with afternoon tea), for a 3.30 pm start, concluding at 5.30 pm. Theme: "Animal Tales". All primary school aged children are invited to come along, especially new children, for fun, friendship, games and activities. For further details, refer to the invitation leaflet which is being distributed through school.

Bookings are needed by Thursday 8th June.  
Please contact Chris Doecke on 0488 047861.
