

### DATES TO REMEMBER

#### JULY

- 7/7  
Last day Early Dismissal 2:15pm
- 24/7  
First Day of Term 3
- 26/7  
Year 10 second immunisation
- 27/7  
Year 9 Museum excursion
- 31/7  
Ag Education Day @ Jamestown

#### AUGUST

- 5/8  
Pedal Prix
- 7/8  
PLP Work Experience
- 8/8  
Dr Quarks Scientific Circus
- F-Year 6 9:30 in Gym
- 16/8  
Governing Council
- 21/8  
SACE Info night
- Year 10 6pm
- Year 11 7pm

## PRINCIPAL'S REPORT

As we near the end of another busy term, it has again been packed with lots of events, excursions, incursions, carnivals, learning and, of course, the socialisation each day with friends. Our students have been very lucky to experience a myriad of learning opportunities which have provided them with a broad sense of the world.

### NAIDOC Week

This week our staff and students participated in a variety of NAIDOC week activities to celebrate the history, culture, and achievements of Aboriginal and Torres Strait Islander peoples. It was an opportunity for our students and staff to come together and learn about, acknowledge and respect the rich Indigenous heritage of the country. We did this by participating in various classroom based activities, creating our own EAS Acknowledgment of Country which we will use at official events and participating in some cultural cooking at the Agricultural Block.

### Grounds

Our front entrance is really starting to take shape now. Voight Contracting has completed the initial works for the road and sealing of the road will take place by the Goyder Council in 2024. Grant Bell Gardens is in the process of planting out 750 plants around our new area and upcoming works will include curbing, a small shelter shed and the laying of turf when the weather starts to warm up.

### Reports

This week I have spent time reading each student's report. It was reassuring to read the growth and learning that has occurred over the last semester. I encourage parents to take the time to read their child's reports and have discussions with them about what they have learnt, areas of strengths and how they can move forward with their learning in Semester 2. Teachers take a considerable amount of time to review your child's work and then write comments. If you require time to meet with your child's teacher to discuss their end of semester report, please contact them via Dojo or email to make a mutually agreeable time once Term 3 commences.

### EASpresso

Last week I was fortunate to take our EASpresso barista students on an excursion to 'Bean Addiction' in the Barossa. Students learnt the process of how beans are roasted and then how to create the perfect blend. As a collective team the girls have created their own blend for EASpresso which we will now be using in the café. The public are also welcome to purchase our beans via the Front Office for \$39 (1 kg bag).

I also wanted to acknowledge all the students and families who have baked delicious food for our café this term. It has certainly kept us sustained during the cold mornings at Eudunda. A special mention to the Jaeger family who bake copious amounts of food, including warm sausage rolls and banana cake on a regular basis!

**Parents & Friends**

Next term the Governing Council and myself are looking at reinstating the EAS Parents & Friends Committee (P&F). The P&F Committee plays a vital role in schools by fostering a strong partnership between parents, caregivers and the school community. It plays a crucial role in fostering a collaborative and supportive school environment. Through their efforts, they contribute to the overall educational experience of students, enhance communication between the school and parents, and create a sense of belonging and community within the school. More information will be posted in the next newsletter.

**Farewell Sue-Ann de Vries**

At the end of this term we will be farewelling Sue-Ann as the part time Year 3/4 teacher. I would like to take this opportunity to thank Sue-Ann for her service to our school. We appreciate the contributions that she has made to our school community and wish her all the best on her future endeavours. Brodie Launer will be backfilling this position and we are really excited to have him fulfill this role.

I wish you all a happy holiday period, keep safe and enjoy the break.

Kind regards

**Anna Roebuck  
Principal**

Belinda Jaeger (not pictured), Thomas Jaeger, Leah Jaeger and Trevor Sexton recently participated in the computational and algorithmic thinking competition. They competed against some of the best minds in Australia and represented Eudunda Area School well.

Their final placings:

- Trevor Credit
- Thomas Credit
- Leah Participation
- Belinda Participation

Well done to all involved. These four students plus more will be competing in the Australian Maths Competition in Term 3.

Trevor Sexton

Thomas Jaeger

Leah Jaeger

## EASPRRESSO EXCURSION

Our EASpresso barista team visited 'Bean Addiction' in the Barossa. The girls learnt the process of coffee bean roasting and creating the perfect coffee blend. The team have now created a delicious coffee blend for EASpresso which will be now used in the cafe. The coffee beans are also available to the public to purchase for \$39 (1kg bag). A massive thank you to Damien, the owner of Bean Addiction for an amazing experience.

Our Foundation to Year 2 students visited the Adelaide Gaol to participate in the early years educational tour. We had lots of fun and learnt lots of interesting facts about how things have changed over time to support our HASS lessons

## EAS MUSEUM

This term the Year 9 students have been exploring World War 1. Students chose a topic of interest to them that is related to WW1 and were creating a museum exhibit. Students were to provide background information and create a museum exhibit presenting six different sources or artefacts that demonstrates this topic. Students then created a museum exhibition for students to come and view their work. Visitors to the EAS Museum Exhibition even voted for their favourite top three exhibits. Below are some of the exhibits that were presented at the EAS Museum.

The Year 7 students headed down to Adelaide recently to visit the South Australian Museum. Students have been focusing on ancient civilizations, with an indepth focus on Ancient Egypt. Students were excited to see the artefacts that were available in the museum and how they related to their learning that had been happening at school. Students had fun exploring all the different exhibits and even enjoyed looking at the different animals that were at the museum. A highlight of the day, was seeing the mummies and the mummies' head that was unwrapped as well as viewing the size of the shark's mouth.

**Please Note**

As per the Departmental Policy, we are not allowed to heat up students food at school.

Please pack food in your child's lunch box that does not require to be heated up.

Thanks in advance.

**GET IN QUICK  
TERM 3 APPOINTMENTS  
AVAILABLE!**

**What is Play Therapy?**

Play is the natural language of children and toys are their words.

Child Centred Play Therapy is a humanistic/relationship-based approach, working therapeutically with children using the child's preferred communication.

Play Therapy is an intervention approach for children aged 2-12. Older children may be considered.

The Play Therapy model used is Child Centred Play Therapy, meaning that during our sessions the child is in complete control of the play.

Children may not have the verbal knowledge and emotional regulation to express their feelings through words but they can 'play out' those feelings.

**What areas of difficulty can Play Therapy support?**

- Trauma
- Aggressive and Oppositional Behaviours
- Speech and Language Delays
- Attachment
- Anxiety
- ASD
- Developmental Delays
- Social Difficulties
- Grief and Loss
- Fears
- ADHD
- Self Esteem issues

**What changes can you expect with Play Therapy?**

Through the process of discovery children learn to develop:

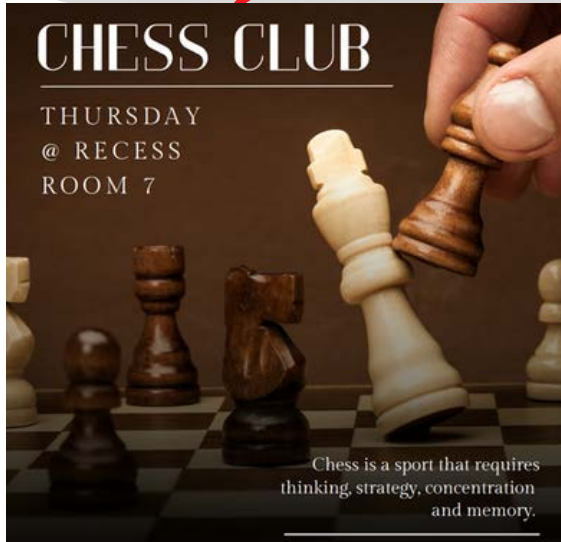

- Self-respect
- Responsibility
- Problem solving and resolution skills
- Self-control and self-direction
- Self-regulation
- Social skills
- Greater self-esteem
- Confidence and resilience
- Choice making

## EXPERIENCE ADFA VIRTUAL OPEN DAY

### ADFA Open Day - Sat 19<sup>th</sup> August 2023

On Saturday 19<sup>th</sup> August, ADFA is hosting their Open Day in Canberra. If you can't make it in person, you can still experience all the action with our virtual Open Day!

On the day, you'll get to:

- Hear from ADFA Commandant, Jules Adams, to learn more about ADFA and how to get the most out of the virtual Open Day;
- Hear from ADFA Cadets, alumni, and UNSW staff about life and studying at ADFA;
- Explore UNSW degrees, with Information Sessions on Business, Science, Engineering & Computing and Arts;
- Participate in live Q&As and get all your questions answered;
- Take a virtual tour of the campus, and much more!

Be the first to hear about what is happening for ADFA Open Day 2023. Visit [adfcareers.gov.au/ADFA](http://adfcareers.gov.au/ADFA) to register now.
