PRINCIPAL'S REPORT

The last two weeks have been full of extra curricular opportunities for our students. We have had students involved in the Royal Adelaide Show, Life Education, Hot Shots Tennis, Basketball and the upcoming Ski Trip. Engaging in extra curricular activities provides numerous benefits for students. These activities enable students to explore their passions, build self-confidence, and enhance their creativity. They also provide opportunities for socialising and making new friends, creating a well-rounded educational experience.

Staffing

It is with great pleasure that I pass on my congratulations to Chloe Goss and Andrew Dempsey who have gained permanency at Eudunda Area School. We are really excited that they will continue to their teaching craft at our school.

Pupil Free Day

During our recent Pupil Free Day our staff worked on redeveloping our curriculum to align with the new Version 9 Australian Curriculum. Staff also worked on developing the 2024 Primary and Secondary curriculum guide which will be available on our school webpage in the near future. We are really excited about the curriculum revamp we have organised for our students next year.

Royal Adelaide Show

Congratulations to our Food & Hospitality and Agriculture students on their outstanding success at the Royal Adelaide Show! Their talent, hard work and dedication have truly shined through, and I couldn't be prouder of each and every one of them. Their talent has not only brought joy to our school community, but it has also showcased the incredible potential that lies within each of you. I can't wait to taste test all these delicious goodies in EASpresso. A very big thank you to Mr Neville and Miss Brown for supporting our students in these extra curricular opportunities.

Parents & Friends

After a large number of years, I am really excited to announce that we have re-established a Parents & Friends Committee at Eudunda Area School. The Parents & Friends Committee is a group of parents and friends of the school who work collaboratively to support and enhance the educational experience of the students. They organise events, fundraisers and initiatives that foster a sense of community and provide resources for the school's programmes and activities. They meet twice a term, on a Friday after the Primary assembly in Week 3 & 6 at 10am in the Library. All families are welcome to join.

Committee Members: President: Courtney Schutz, Vice President: Karly Hines, Secretary: Nicole Hardy, Treasurer: Amy Mepstead, Members: Tanya Jaeger, Ashlee Shannon, Anna Roebuck, Kelly Pfeiffer, Amanda Pfeiffer, Bev Chapman.

Bus Behaviour

Just a reminder that all school rules apply on school buses too. Being respectful and behaving appropriately on a school bus is essential for creating a safe and pleasant environment for all passengers. It is important to treat the bus driver and fellow students with courtesy and respect. By demonstrating respectful and responsible behaviour, we contribute to a positive bus experience for all.

School Interviews

Just a reminder that Parent/Teacher interviews are next Tuesday from 4-8pm. If you haven't booked them yet, please log onto Daymap to secure a spot with teachers. This is a fantastic opportunity to share your child's learning journey so far. Students are certainly encouraged to attend these meetings and for Year 12 students it is compulsory for you to have an interview.

Drive Through Zone

Our new drive through and pick up zone is now open for business. Can drivers please be mindful that this is ONLY a pickup and drop off zone, NOT a parking bay and direction of traffic is only ONE WAY.

As the weather starts to warm up, we encourage students to wear broad brimmed hats during break times. They will become compulsory to wear at the start of next term.

If we had no winter, the spring would not be so pleasant, (*Anne Bradstreet*). Enjoy the longer and warmer days.
