PRINCIPAL'S REPORT

EASpresso is Victorious

I am ecstatic and filled with joy to share the exhilarating news that Eudunda Area School was the winner at the South Australian Training Awards for the VET Innovation for Schools Category for EASpresso. This remarkable achievement is a testament to the collective efforts, unwavering dedication and exceptional talent of our entire school community.

Receiving this award is a validation of our commitment to excellence in education and the tireless pursuit of nurturing the potential within each of our students. It reflects the remarkable achievements, innovative teaching practices and the incredible support we receive from our dedicated teachers, staff, parents and students.

This recognition not only celebrates our accomplishments, but also motivates us to strive for even greater heights. It is a reminder that we are on the right path, making a profound impact on the lives of our students and preparing them for a successful future.

I am immensely proud of every individual who contributed to this accolade and grateful for the unwavering support from our community. Together, we will continue to inspire, challenge and empower our students to become lifelong learners and make a positive difference in the world.

Principal Position

I am thrilled and honoured to share that I have been selected to continue as the Principal of Eudunda Area School. This appointment fills me with immense excitement and gratitude. I am truly humbled by the trust and confidence placed in me to lead our educational community. Together, we will continue to create a nurturing, inclusive and innovative learning environment that empowers students to excel academically, socially and emotionally. I am eager to embark on this journey, working collaboratively with our exceptional staff, dedicated parents and talented students to shape a brighter future for all. Thank you for your unwavering support.

Welcome

A special welcome to four new students who recently joined us at EAS in the last four weeks; Charlotte Chatterton Year 2, Issac Hamann Year 7, Kaleb Doosjen Year 8 and Cooper Devlin Year 9. We are really excited to welcome you to our school and wish you a smooth transition into our wonderful school.

Congratulations

Congratulations to Chloe Goss and Andrew Dempsey who were granted with permanency late this term. We are really excited that we can maintain two dedicated and high performing teachers.

A special congratulations to Courtney, Joel, Reid and Ruby who welcomed the safe arrival of Jett Emmanuel. We wish you endless happiness and special memories together.

Condolences

Our deepest condolences go out to Brandon, Aiden, Lexi and their family on the tragic passing of their Grandfather, last week. Our love and thoughts are with you all.

A special shout out to Lyla Rayner who was my chosen award winner for the Week 9 Principal's Award. Lylah consistently shows kindness and friendship to her fellow peers, such an honourable trait.

I would like to wish our dedicated EAS staff and wonderful students a well-deserved and restful break. Take this time to recharge, spend quality moments with loved ones and indulge in activities that bring you happiness. I look forward to returning refreshed and renewed, ready to continue our educational journey together. Happy holidays to all - enjoy this special time of rest and relaxation!

ART NEWS

A small look into what our Year 9/10 Visual Arts class were getting up to earlier in the term. Students researched the mosaic making process and existing mosaic artists to inform their own designs. Students thoroughly enjoyed the process and the outcome of their artworks. Well done for giving new things a go!

Thank you to ALL the students who got involved with Jump Rope for Heart!

A huge thank you for the effort of skipping and fundraising for the Jump Rope for Heart programme this term. Together, we raised an incredible \$3,300.00 and this money will all go towards vital heart research and education programmes.

We have loved seeing so many smiling faces skipping outside, before school, during play times and in sports lessons. Our Jump Off Day was a huge success: You can see a few action photos from the day below.

Top 5 fundraisers for Jump Rope for Heart!

1. Zayne Hines: \$965.21
2. Reid Schutz: \$542.84
3. Jayden Launer: \$512.67
4. Georgia Prior: \$253.30
5. Charlie Coombes: \$205.84

Last week a group of students got the chance to attend a snow trip over to Falls Creek in Victoria with Kapunda High and Tintinara Area Schools. Even though the trip ended early due to conditions on the mountain, students made the most of their time in the snow including learning new skills in snowboarding and skiing, also making new friendships along the way. Our students at EAS should be very proud of themselves and I hope all had a great time. Thank you to all the parents for being so supportive of the trip and a big thank you to Miss Engel, Olivia Schiller and Harry Wutke for all your help and also, Amy for helping with all the fundraising.

YEAR 12

ONLY 2 WEEKS LEFT! Year 12 students are nearing the end of their secondary schooling at a rapid pace! Friday 28 October marks the final day of their 'formal' timetable. Subjects will be timetabled as per usual beyond week two; students will need to attend these if they still have assessment tasks to complete or further exam revision is being offered.

OCTOBER HOLIDAY SESSIONS

Many students have committed to attending holiday sessions run by their teachers, at school, during the October School Holidays. These sessions are focussed on exam revision and task completion/revisions. Teachers have discussed these session times with their classes and negotiated for students to attend all sessions on offer or a portion. Please refer to the timetable below. Year 11 and 12 students have been invited to attend sessions where required and are strongly encouraged to attend when possible. Only three students are not required for any holiday sessions offered for Research Project; due to days missed through VET placements, work experience, illness and/or camps (Ag Show and Snow Trip in Term 3), some students have a lot of work outstanding for this compulsory Stage 2 subject.

External Examinations will be running in week four and five as per the timetable below. Students received their 'examination slip' earlier this week, which states their exams, SACE number, examination centre (Eudunda Area School) and rules for participating in the examinations. Students should arrive a minimum of 15 minutes before the scheduled starting time; they are required to bring their laptops, fully charged, to complete electronic examinations, Biology and Psychology.
