The school community of Eudunda Area School is committed to providing the best possible educational outcomes for our children. For this to occur it is imperative that positive working relationships exist between all school community members. Clear lines of communication including a defined process for dealing with issues of concern contribute to this process. Underpinning any communication within this process are our agreed school values of

## RESPECT – COMMUNITY - EXCELLENCE

### PRINCIPLES OF OUR POLICY

- **Confidentiality** will be maintained at all times. It is essential that all parties involved respect this right and ensure that information remains only with those directly involved in this issue.
- A **trusting relationship** between all involved is necessary if grievances are to be resolved as effectively as possible.
- **Respect** for the people involved and for the situation causing concern or conflict.
- A **restorative approach** to the conflict will be adopted to reach a resolution for all parties.
- Meetings including telephone calls to discuss grievances will be suspended if any person(s) behave in an **insulting or offensive manner**.
